yesterday a child came out to wonder
caught a dragonfly inside a jar
fearful when the sky was full of thunder
and tearful at the falling of a star

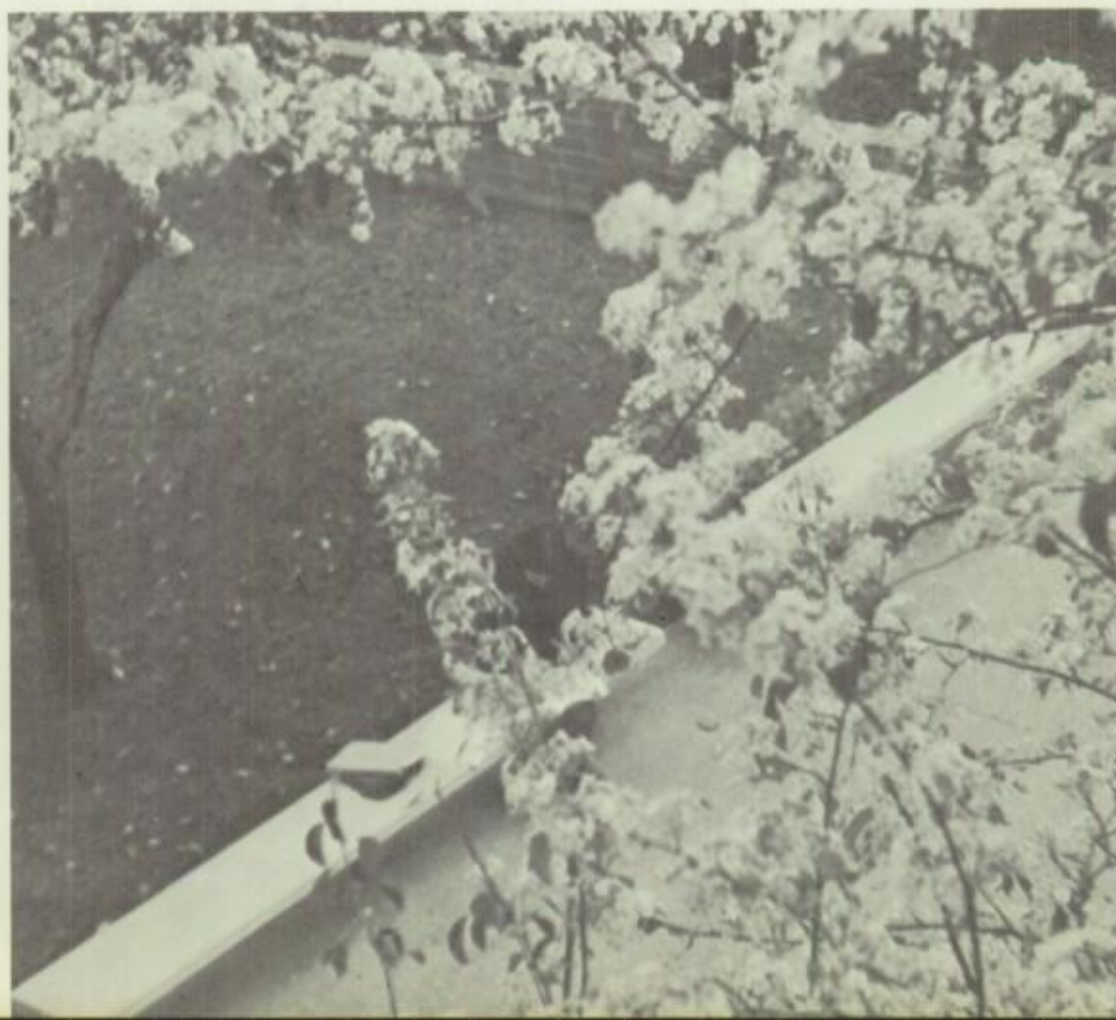

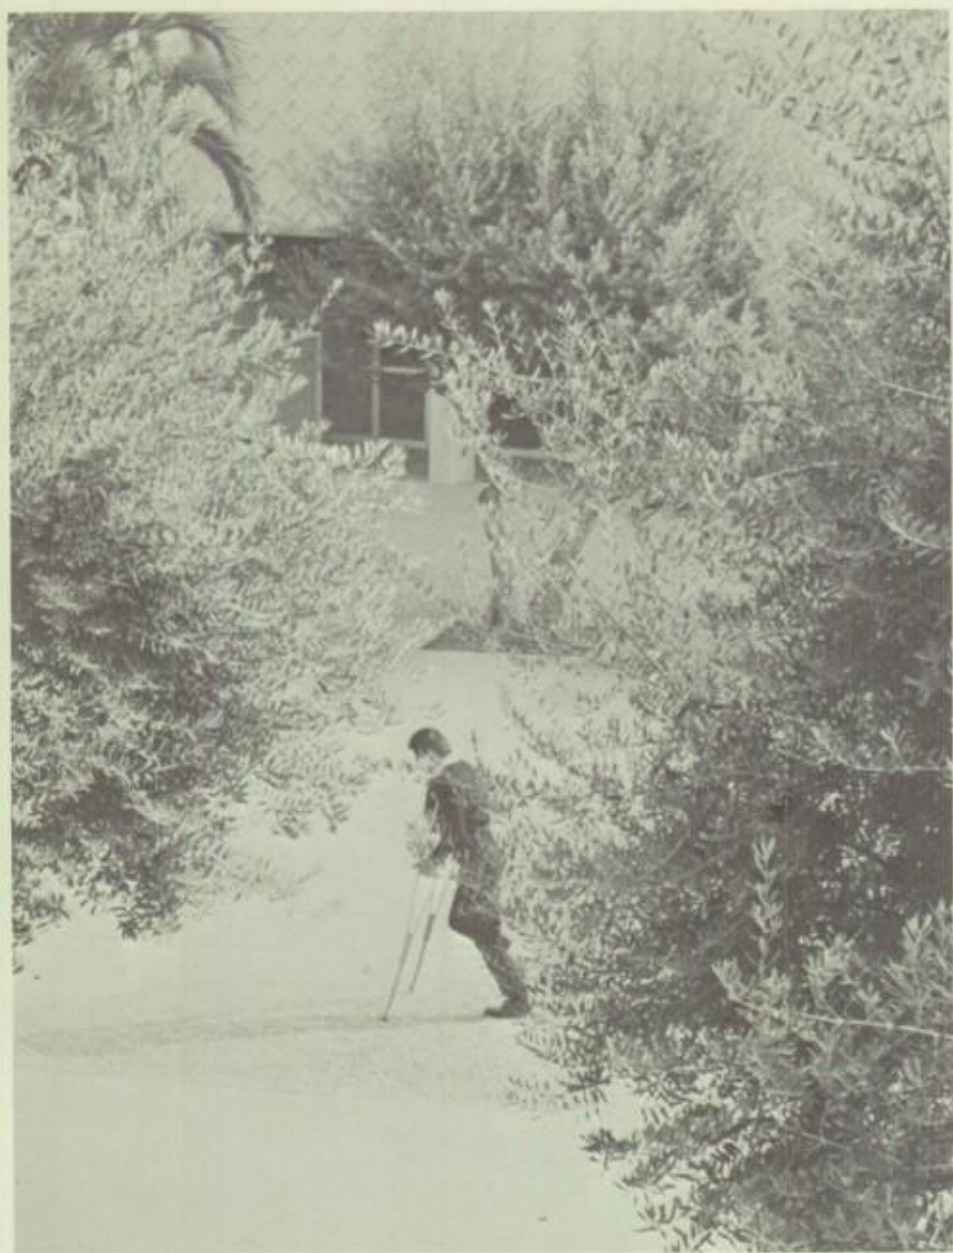

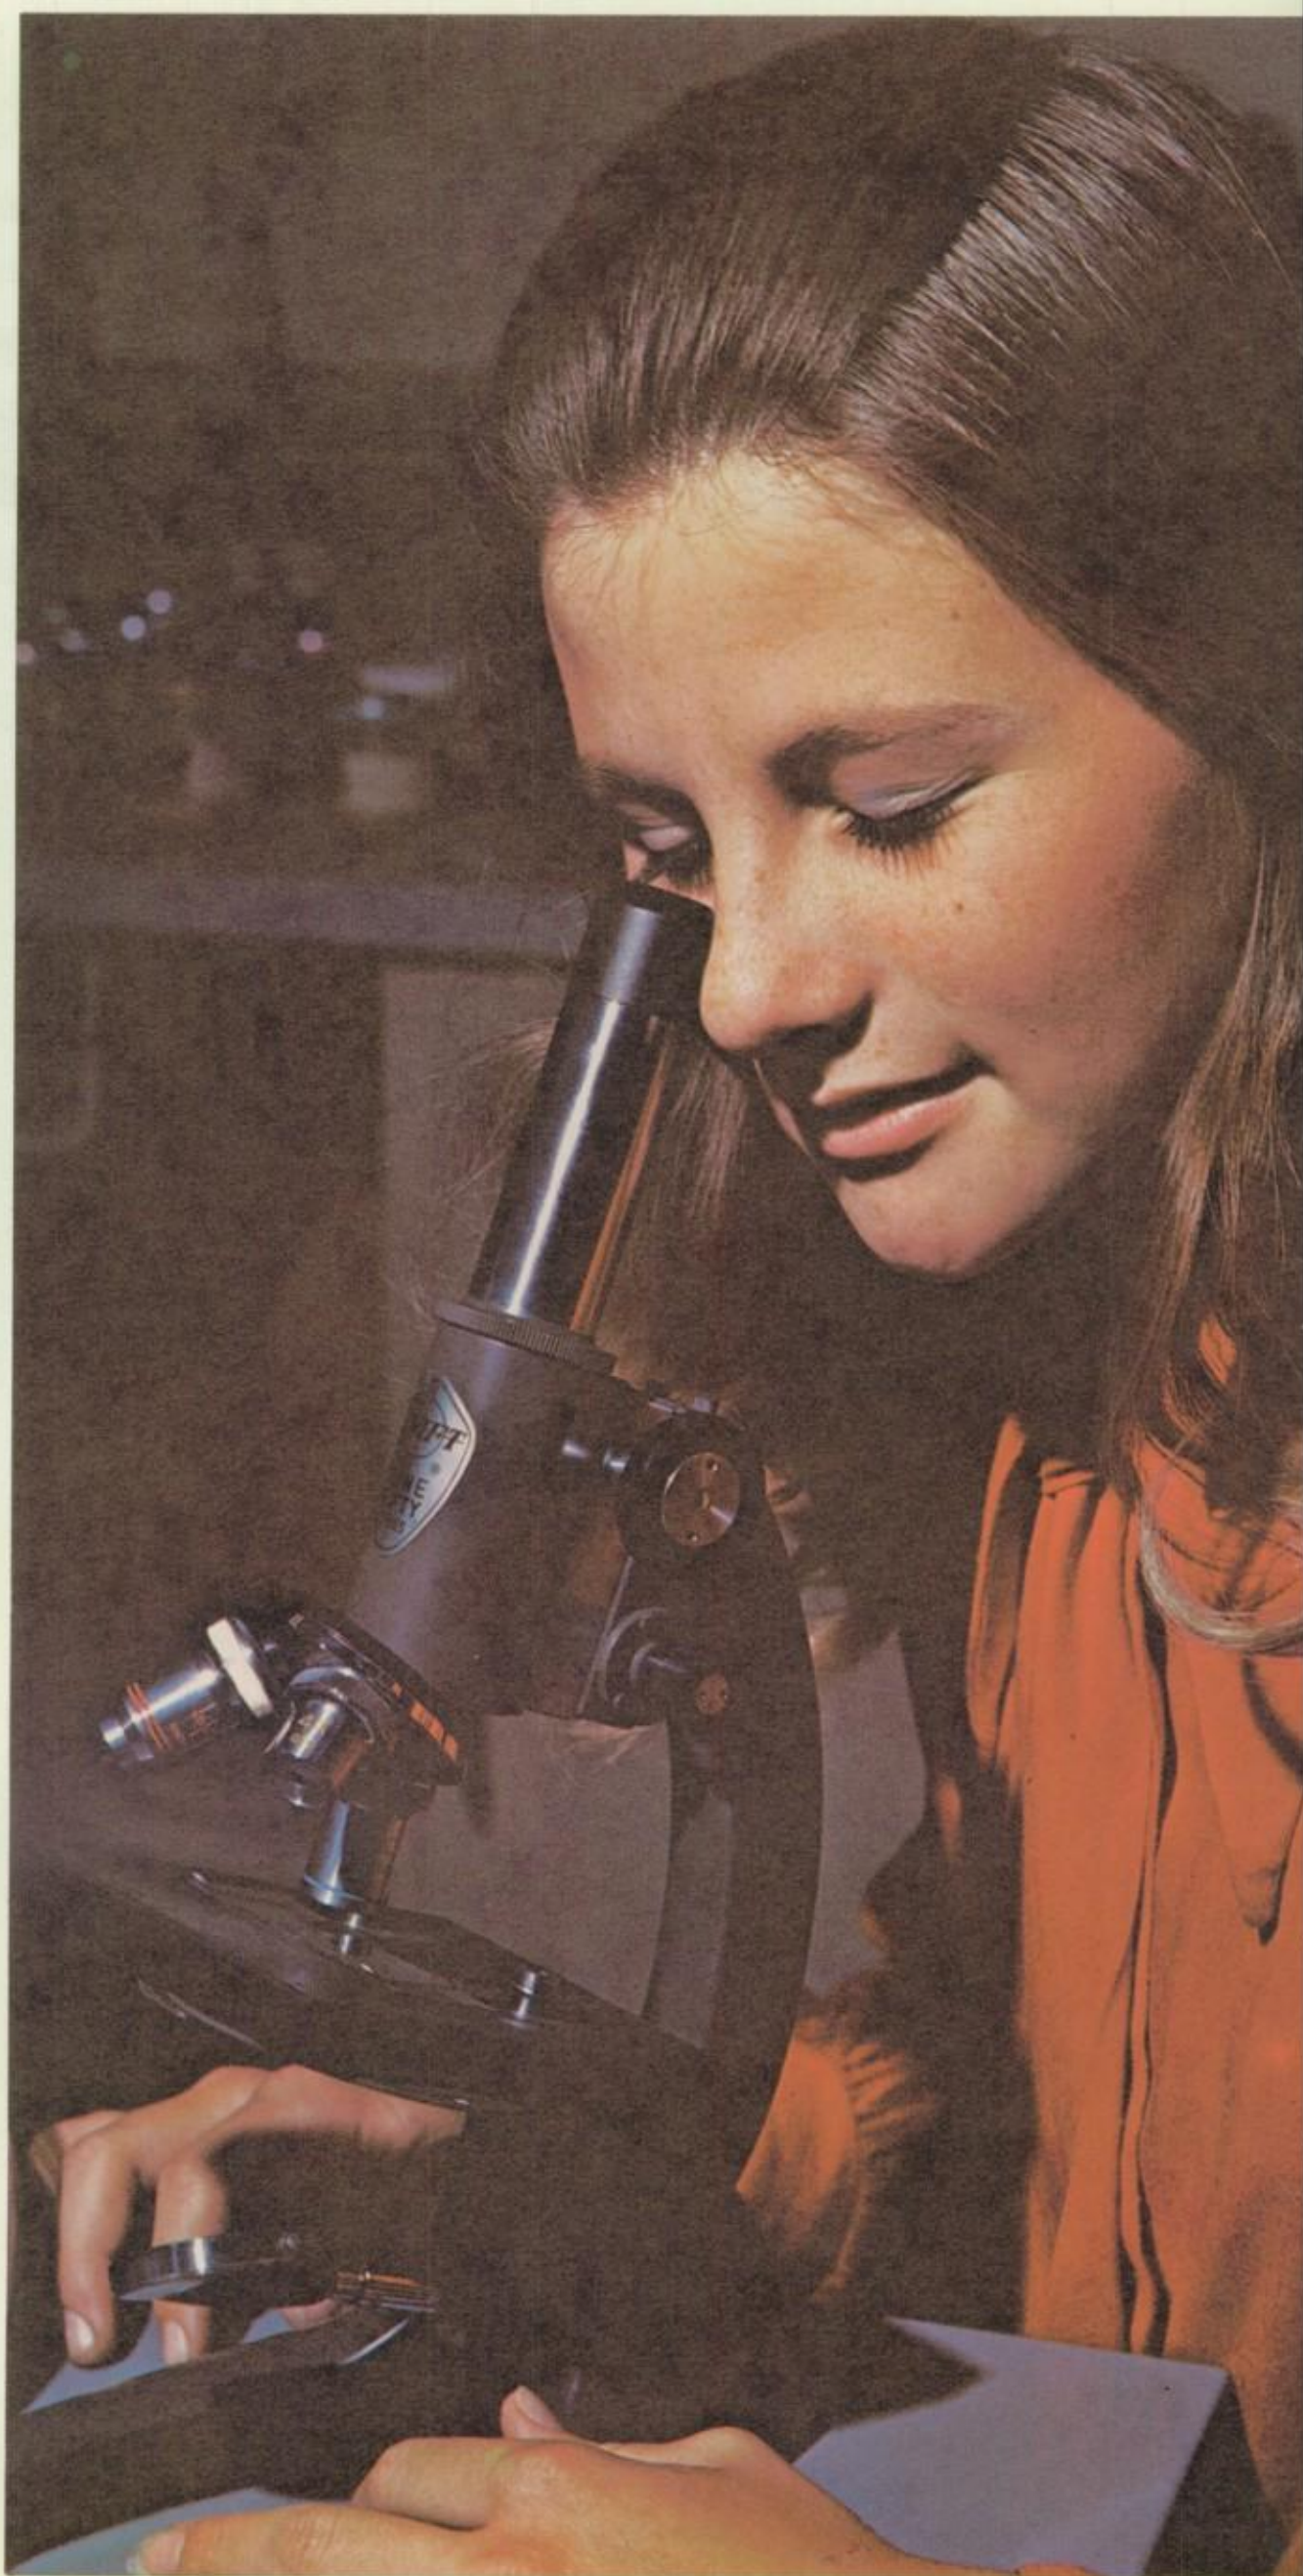

then the child moved
ten times round the seasons
skated over ten clear frozen
streams
words like, when you're older
must appease him
and promises of someday
make his dreams

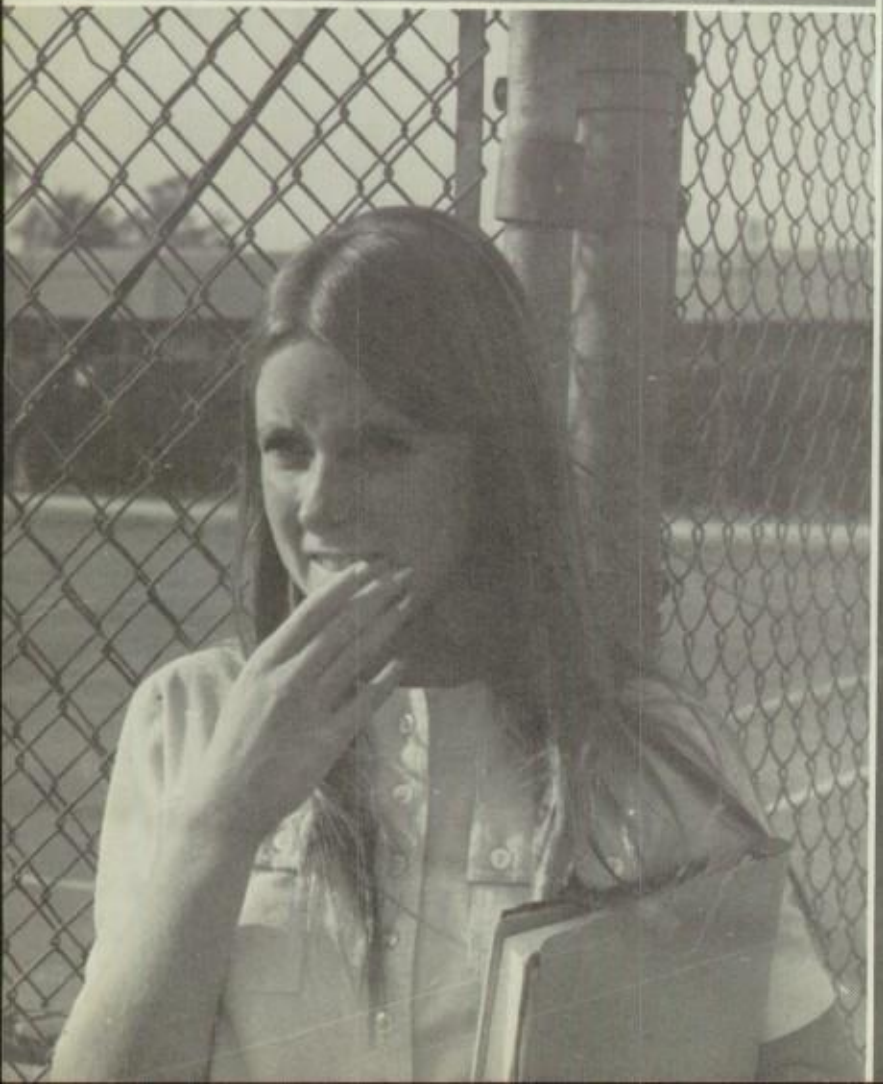

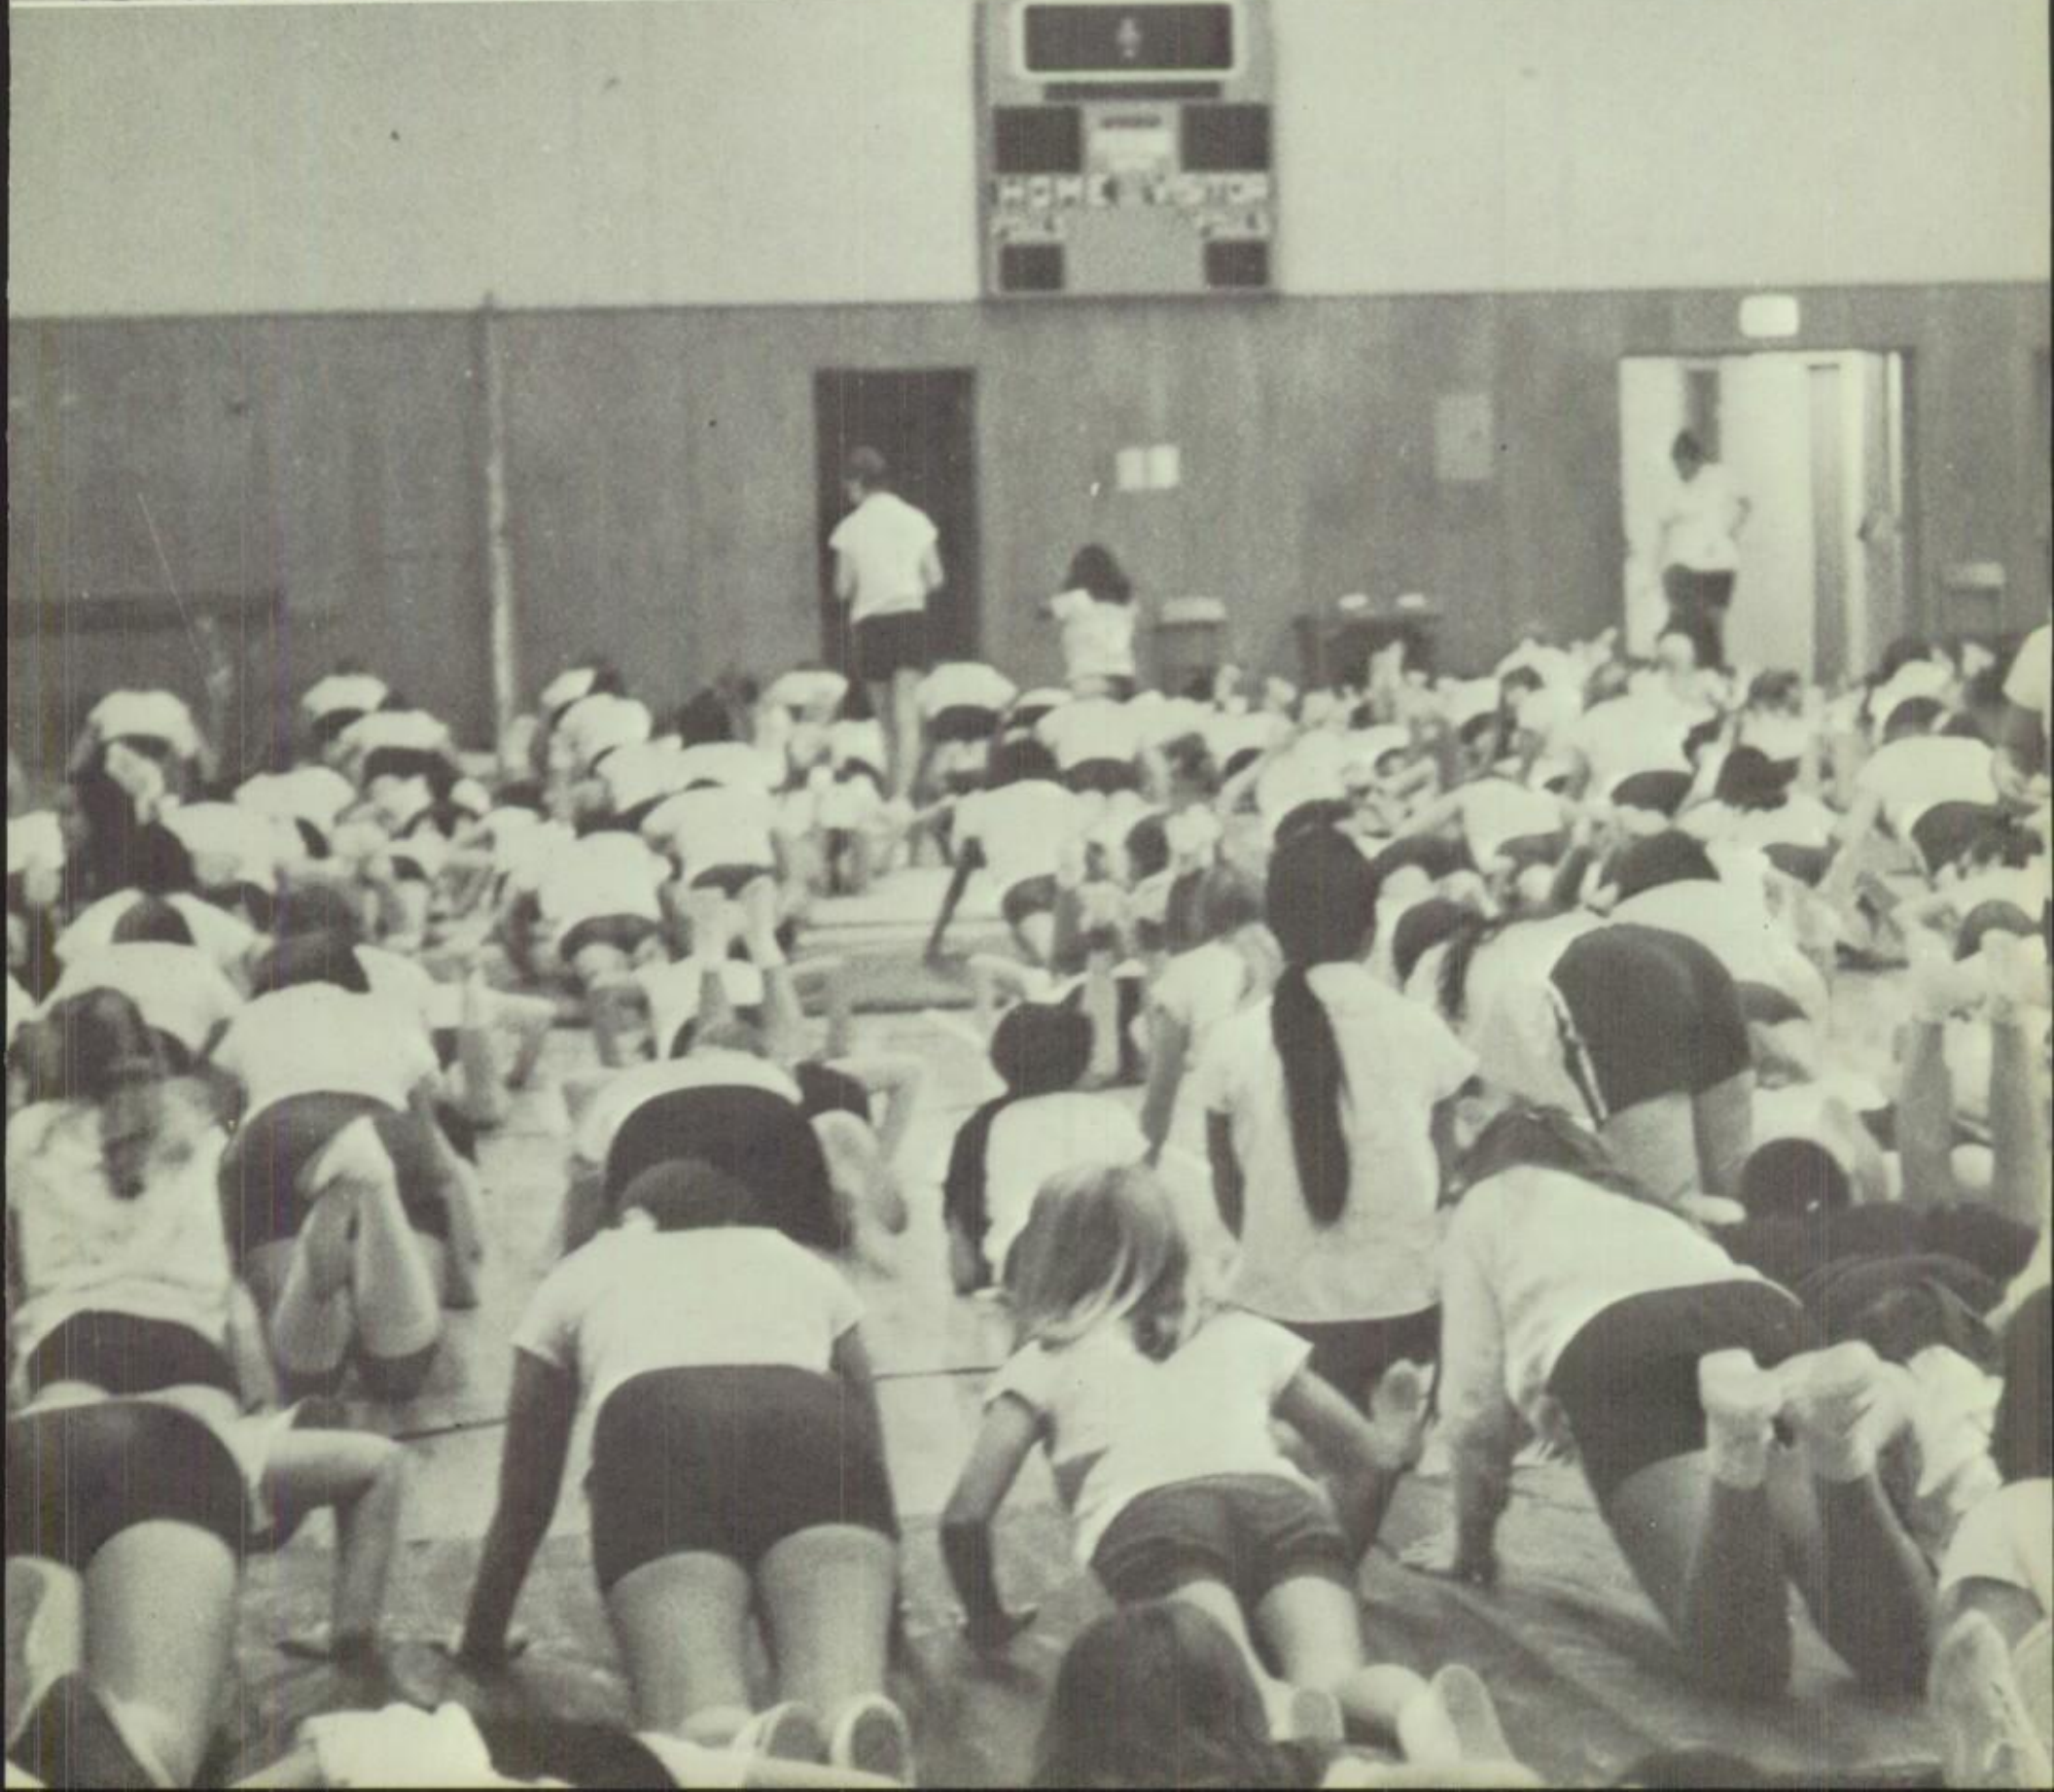

sixteen springs and
sixteen summers gone
now cartwheels turn
to carwheels
through the town

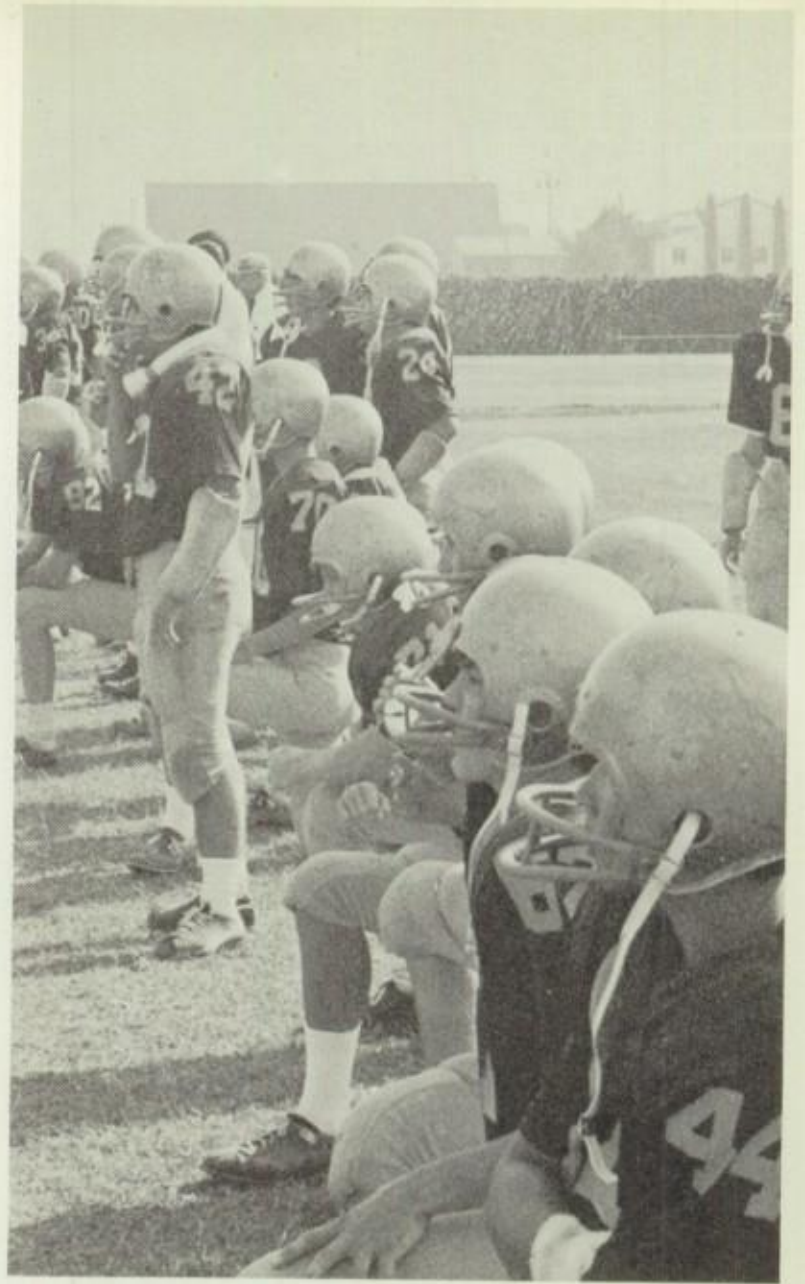

and they tell him
take your time
it won't be long now
till you drag your feet
to slow the circles down

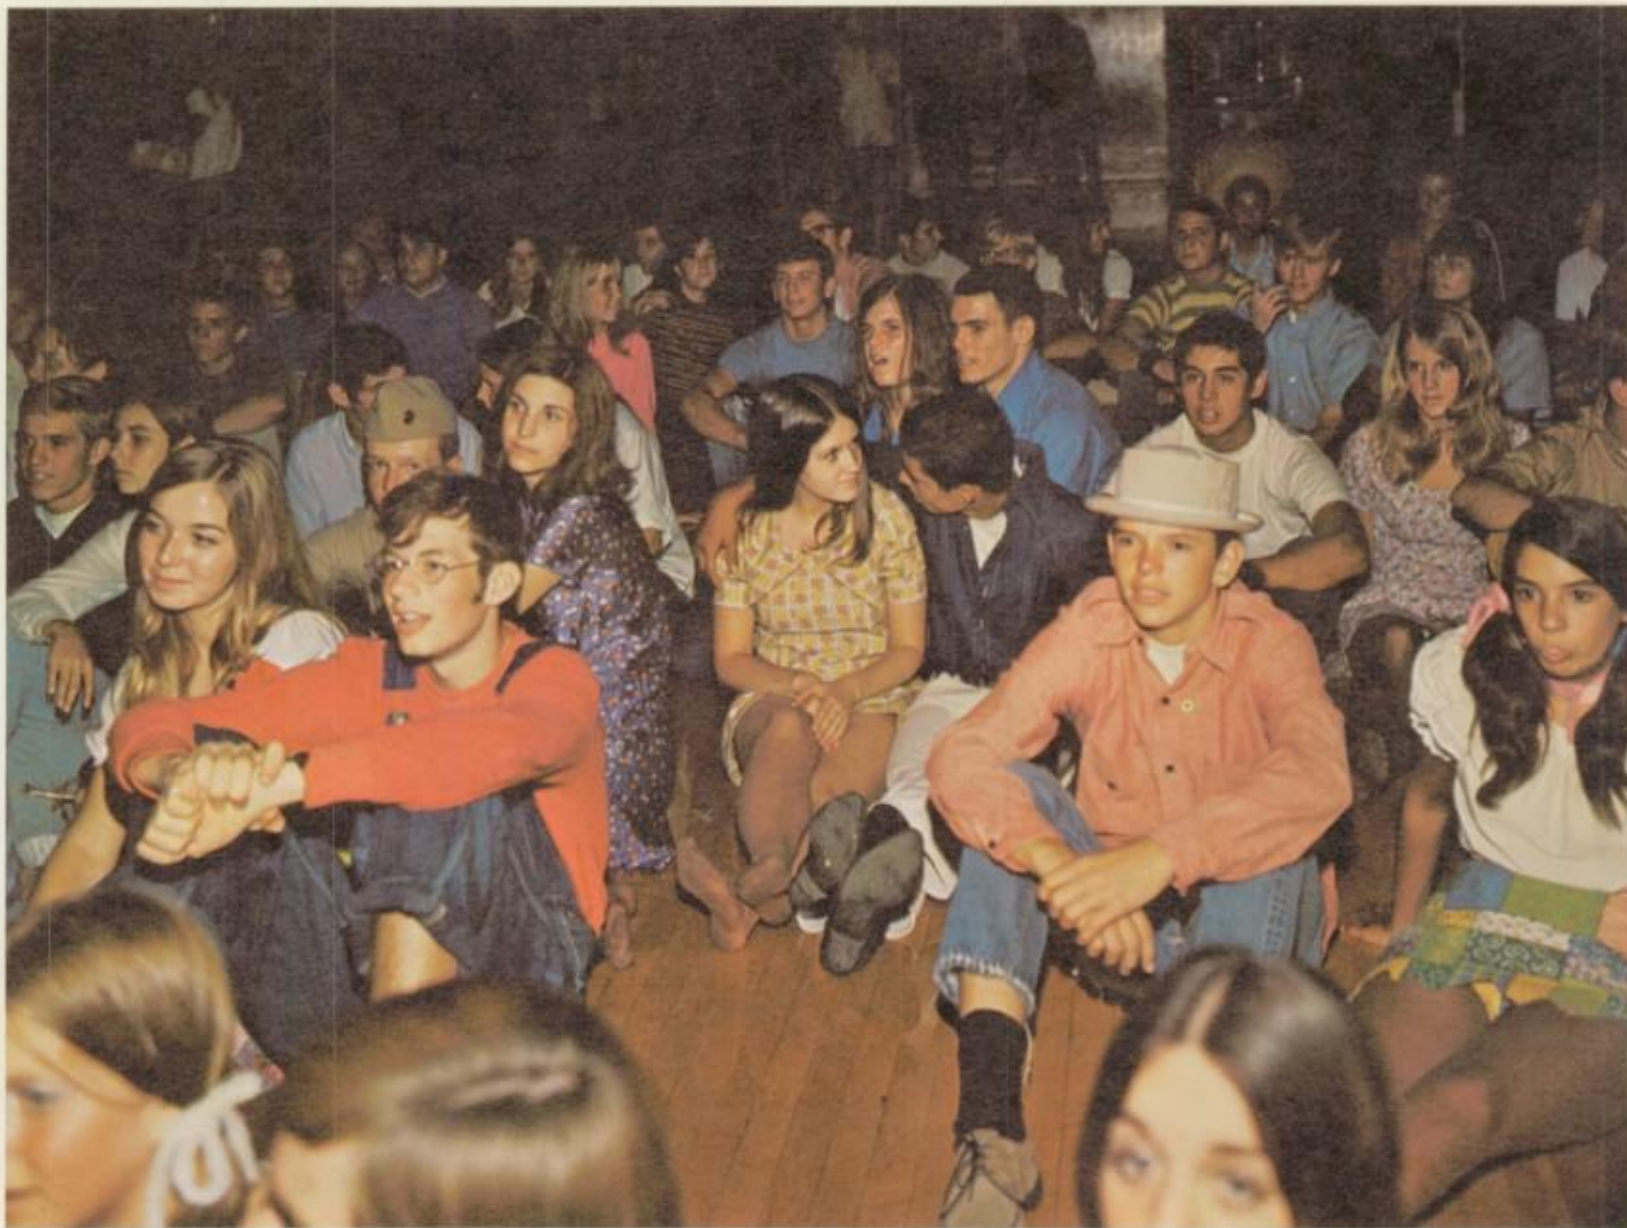

student life

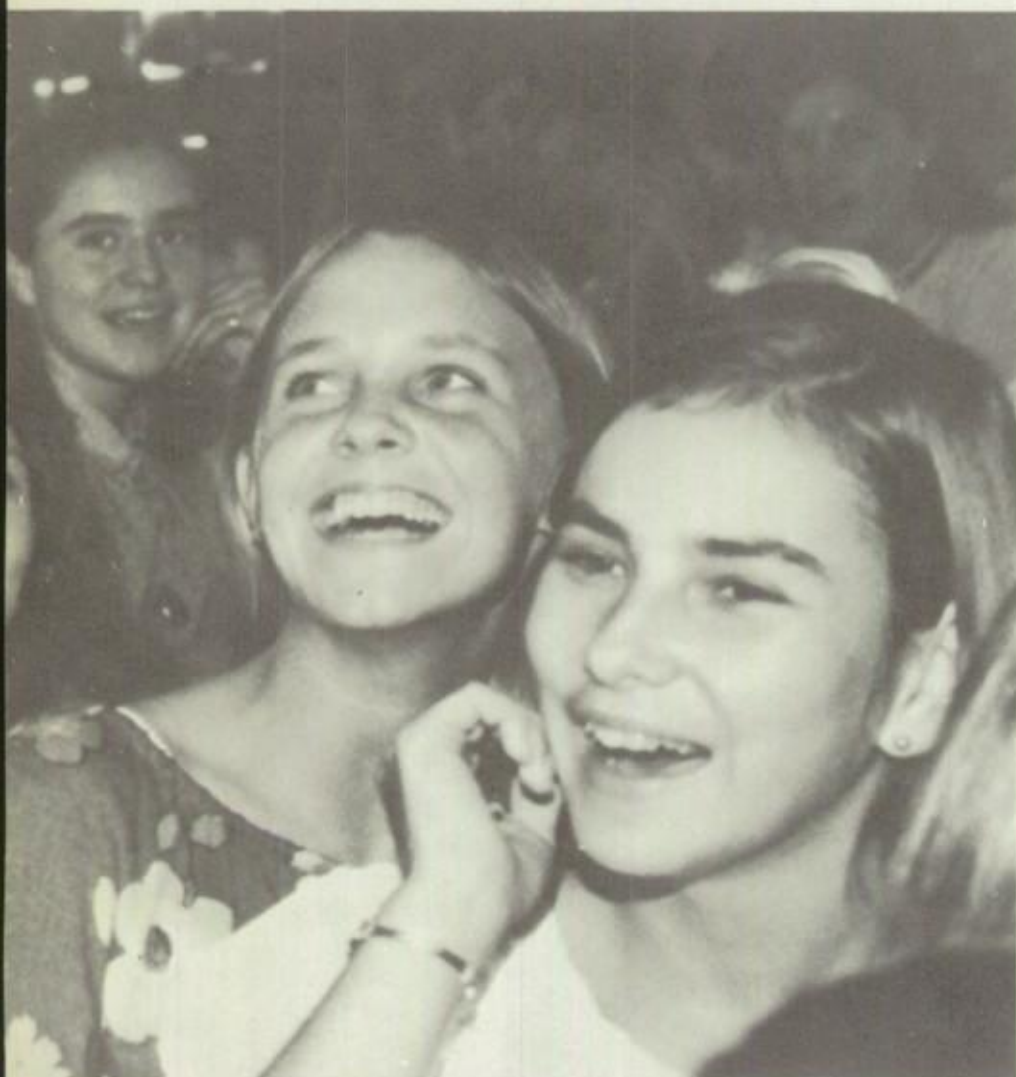

ahs welcomes incoming freshmen

Helping make the brave new world less frightening for incoming ninth-graders, freshman orientation was held September 14. Administration members, counselors, commissioners and the pep squad were all introduced. Freshmen were given their first taste of school spirit as the cheerleaders taught them yells and the song leaders performed to the fight song and the alma mater. A campus tour was offered and locker combinations given out.

Freshman girls received an official Girls' League welcome to Alhambra, September 24, at the Freshman Tea, "The Chic-In". GL President Katie Hammond emceed the program which consisted of skits, food, and fun.

Peggy "Daisy Mae" Lewis

Daisy Mae and Li'l Abner joined Alhambra's guys and gals at the Sadie Hawkins' Backwards Dance held on October 10. Decorated like an old-fashioned county fair, the boys' gym came alive with the sounds of "Joe's Alley". Helping recreate the fun and excitement of a real fair, girls' Tri-Hi-Y and service clubs provided a variety of booths and activities.

afs students gain insight into various cultures

The American Field Service's motto "Walk together, Talk together" was accurately depicted by this year's foreign exchange students, Bibijan Ibrahim of Singapore and Lief Sandholt from Norway. Both took an active part in AHS life. Bibi, an honorary member of Pequenitas, helped Writer's Guild get their new literary magazine off the ground, while Leif, a member of Interact, organized a soccer team.

Leif participates with Junior Optimist in the decorating of Mexico's Rose Parade Float.

Bibijan takes part in an American pastime.

helicopter heightens homecoming excitement

A helicopter, horse-drawn carts, floats and fireworks converged upon Moor Field, November 13, in celebration of Alhambra's "Mom and Apple Pie" Homecoming game. Depicting the contrast between the old and the new, the Homecoming festivities provided an unusual and elaborate illustration of the all-American theme. Highlight of the evening was Queen Linda Van Wig's arrival on the field in a helicopter. KTTV sports announcer, Tom Kelly, emceed the program during which Pequenitas was awarded the trophy for the best float. witch trials provoke vengeance in 'crucible' production

A thought-provoking portrayal of timely social problems, Arthur Miller's **THE CRUCIBLE** was presented by the senior class January 15 and 16.

In the opening scene of the drama, the discovery of young girls wildly dancing had instilled a fear of the devil's infiltration into Salem. Capitalizing on this paranoia, Abigail and the Putnams take vengeance on several townspeople and accuse them of witchcraft.

The witch trials become the scene for lies and accusations which threatens the lives of several people who are required to confess to witchcraft or be hanged.

moor covers campus news, reflects student thought

Its Tuesday distribution inevitable as the daily flag-raising ceremony, **THE MOOR** was the result of a many times hard-working, but mostly easy-going and fun-loving staff.

The **MOOR** office was forever cluttered with stray papers, books, food, bicycles, and people. Wednesday deadlines were met on Friday mornings. Photographs that never seemed to come out the first time were retaken Friday afternoons. Late copy arrived at the print shop Saturday mornings, usually followed by a verbal lashing from the printer. Advertisements were too few in number and the paper perpetually teetered on the brink of financial disaster.

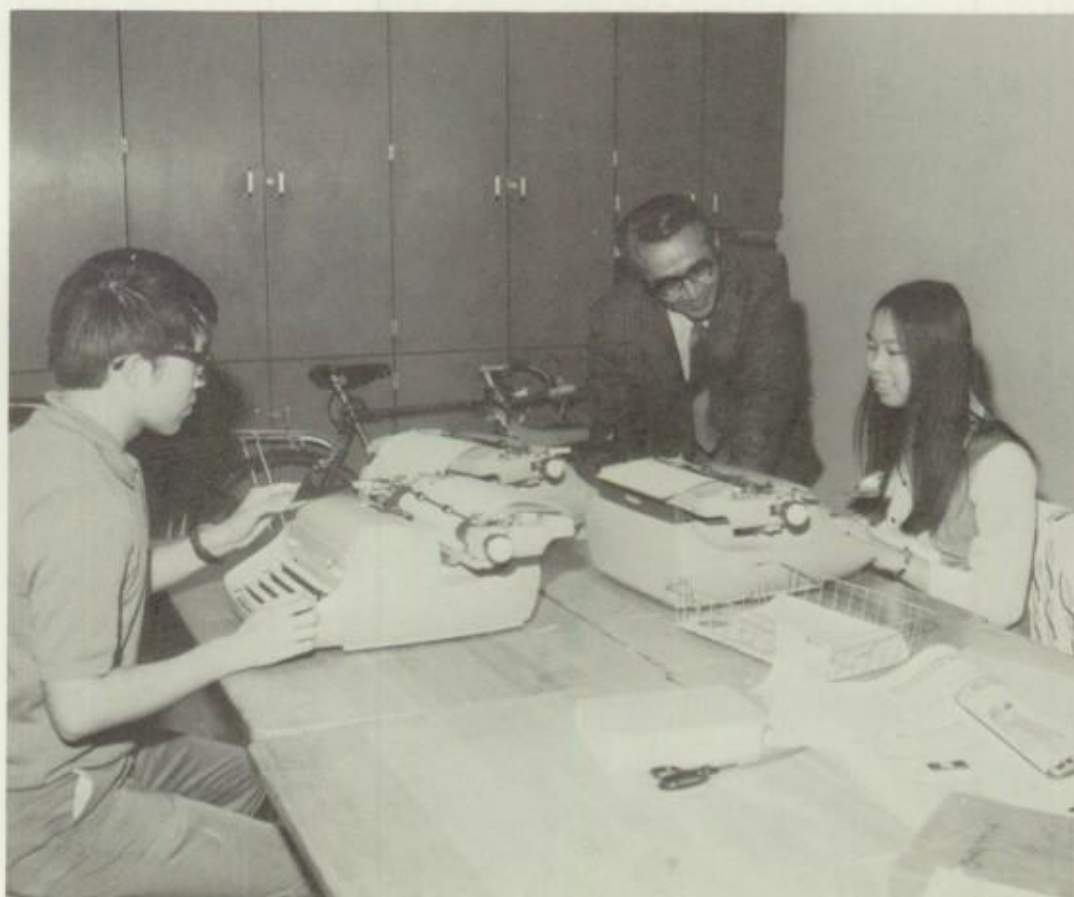

But with Mr. "T" and fine editors, **THE MOOR** continued its high standard of excellence, garnering the "All-American" rating for the twelfth consecutive year. Semester I and II editors-in-chief Margaret Chui and Robert Chau saw to it that student activities were reported and student opinions reflected. Margaret initiated a series on minority groups while Robert ran stories on military conscription and developments in the field of education.

New curriculum added much to the variety in Alhambran classrooms this year. Juniors were given freedom to choose one of the following English electives: Mass Media, Drama as Literature, Short Story and Poetry, The American Novel, Creative Writing, and Communications. Also in its first year, Creative Speech initiated many new curricular as well as extra-curricular activities, including on-campus speaking and community speaking. 'my fair lady' delights ahs audience

Hard work and perseverance rewarded the AHS cast of "My Fair Lady" with deserved success. The 1970-1971 All-School musical was presented on May 6, 7, and 8 in the auditorium. Originally based on the play **Pygmalion** by Bernard Shaw, "My Fair Lady" warmly relates the story of a ragamuffin (Debbie Thureson) who is transformed into a lady through the diligent efforts of a professor of phonetics (Corby Bradford).

Also adding to the appeal of the play was the work of the AHS Orchestra, the AHS Choir, the Girl's PE Department Dancers, and Choreographer, Miss Donna Hagerty.

Highly talented prospects from last year returned to produce a season of outstanding achievements, and surprises, as well as disappointments. Splitting the two pre-season meets, the confident Moors took the first three season meets. In the Mt. Sac Invitational, two Moors, Randy Lopez and Tom Hsia, were victorious and brought home trophies. Against the cross-town rival Matadors, the fired up Moors lost a tough decision of 28-27. In the Pacific League Finals, the Moors just missed qualifying for the CIF finals by coming in third place.

The Moor harriers, however, ran a winning season finishing fourth in the Pacific League with a record of 4-3.

clubs gain cultural understanding through activities

Activities sponsored by the International Club blended qualities of various cultures to provide members with an expanded awareness and understanding of the world. Under the leadership of President Karen Kenny, the club began the year by welcoming AHS's foreign exchange students. The fifty active members held several dinners, participated in discussions, and sold candy.

Concentrating on their respective cultures, each of the four language clubs planned activities relating to their language. French, German, Latin and Spanish students viewed movies, ate at specialty restaurants, held pot-luck dinners, and hosted guest speakers.

new clubs motivate interest on campus

This year several new and diversified clubs were organized on the AHS campus. Five of these newly-formed clubs were developed through the various hobbies of interested Moors. They include the Yacht Club, the Ski Club, the Folk Club, and the Amateur Radio Club. Also organized this year was the AHS Broadcasting Association, which was able to set up its first broadcasting station, KAHS. All of these clubs offered members a chance to pursue their hobbies and to gain added skills and understanding in their respective fields.

Two other clubs organized on campus were the Ecology Club and HUNTOS. With the help of their advisor Mr. Samuels, interested members of the Ecology Club helped motivate action to clean up America starting with the AHS campus. PREXY COUNCIL OFFICERS—Karen Kelly, Carol Stocking, Jeanne Silvio, Sue Teevan, Theresa McMahon, pres.

Prexy Council, composed of presidents and representatives from the twelve Tri-Hi-Y clubs, serves to coordinate multi-club activities. This year's council provided tickets to the dramatic film, "The Sword and the Switchblade", planned the Fall All-Club Picnic at Granada Park, suggested new ideas for membership drives, and ended the year with the Annual Spring Banquet. Through the various activities sponsored by Prexy Council, AHS Y-clubs were united in a spirit of friendly competition.

principal sees communication as key to learning

Characterizing his first year as principal as a formative and transitional one, Mr. Donald E. McGuigan has strived for educational improvements at AHS. He foresees, as a result of his current efforts, an individualization of education which will be more palatable to the student. Revisions in curriculum and reduction in graduation requirements are means by which he hopes to make learning more relevant and exciting. Emphasizing communication as an important means of accomplishing these goals, Mr. McGuigan has also initiated "rap sessions" between students and administrators. He eventually plans to expand these sessions to include faculty members, as well as students and administrators.

class of '71 initiates unique projects

Assisted by class advisor Mrs. Kathryn Blix, the senior council smoothly planned and co-ordinated traditional festivities for graduation seniors. They selected senior personalities as well as the senior gift. Climaxing the class of 71's four years at AHS were the All-Night Party, the Senior Luncheon, Baccalaureate, and of course, graduation.

so the years spin by and now the
boy is twenty though his dreams
have lost some grandeur coming
true there'll be new dreams,
maybe better dreams and plenty
before the last revolving year is
through

and the seasons they go round
and round and the painted
ponies go up and down we're
captive on the carousel of time
we can't return, we can only
look behind from where we came
and go round and round and
round in the circle game
